DEDICATION

To our Parents who are:

Our advisors and guides, never too busy to help us,

Our protectors and teachers, patient, interested, and understanding.

Our friends, believing in us and encouraging us.

These are facets of our parents, who, most of all, love us. To them we dedicate this book.

FOREWORD

The development of a generation is influenced by Speed, Force, Progress, and Time. These elements guide the promise, the growth and the fulfillment of life.

The pace at which life moves depends upon Speed. In our generation the pace is rapid, for there are so many things to be done and so many opportunities to be grasped.

Force is the driving ambition that helps us reach our goals. Force pushes us through the obstacles in the path of Progress.

The accomplishments of an age are signified by Progress. This year has brought a higher standard of living to our community, our commonwealth, and our country.

Time is the elemental factor, without which Progress would be impossible - Force, ineffectual - Speed, unnecessary. Time - the touch of the eternal - minute in quantity, all too precious in quality.

SEATED: Fay Scherr, Robert Greer, Frank Capotosto, Dr. Kermit Stover, Charles Russell, Rolland Smith, William Zuspan.
STANDING: William Charlton, William Culbertson, George Young, Thomas Shearn, Edgar Hoffner Jr., Roy Peterson, Robert Paarz, William Rudloff, Robert Raske.

POLICY MAKERS

This is the group of people who represent our parents in formulating the policies of our school system. They are largely responsible for the fine education we now receive, because they have put into practice the most modern educational methods. Some of the advancements which the group has forwarded are the language laboratory and the hiring of a fine teaching staff. Our sincere thanks go to the School Board and its president, Mr. Frank Capotosto

THEY LEAD US

Dr. Gruener, Dr. Stover, and Mr. Nye take time out to talk things over.

To Dr. Stover, Mr. Nye, and Dr. Gruener we are indebted. They are the men who have put modern educational theory into practice in Marple-Newtown Senior High School. Our administrators have dedicated themselves to giving us the best possible atmosphere in which to learn and they have brought to Marple-Newtown standards of which we shall always be proud. We, the Senior Class, are grateful for this leadership.

ACTIVITIES

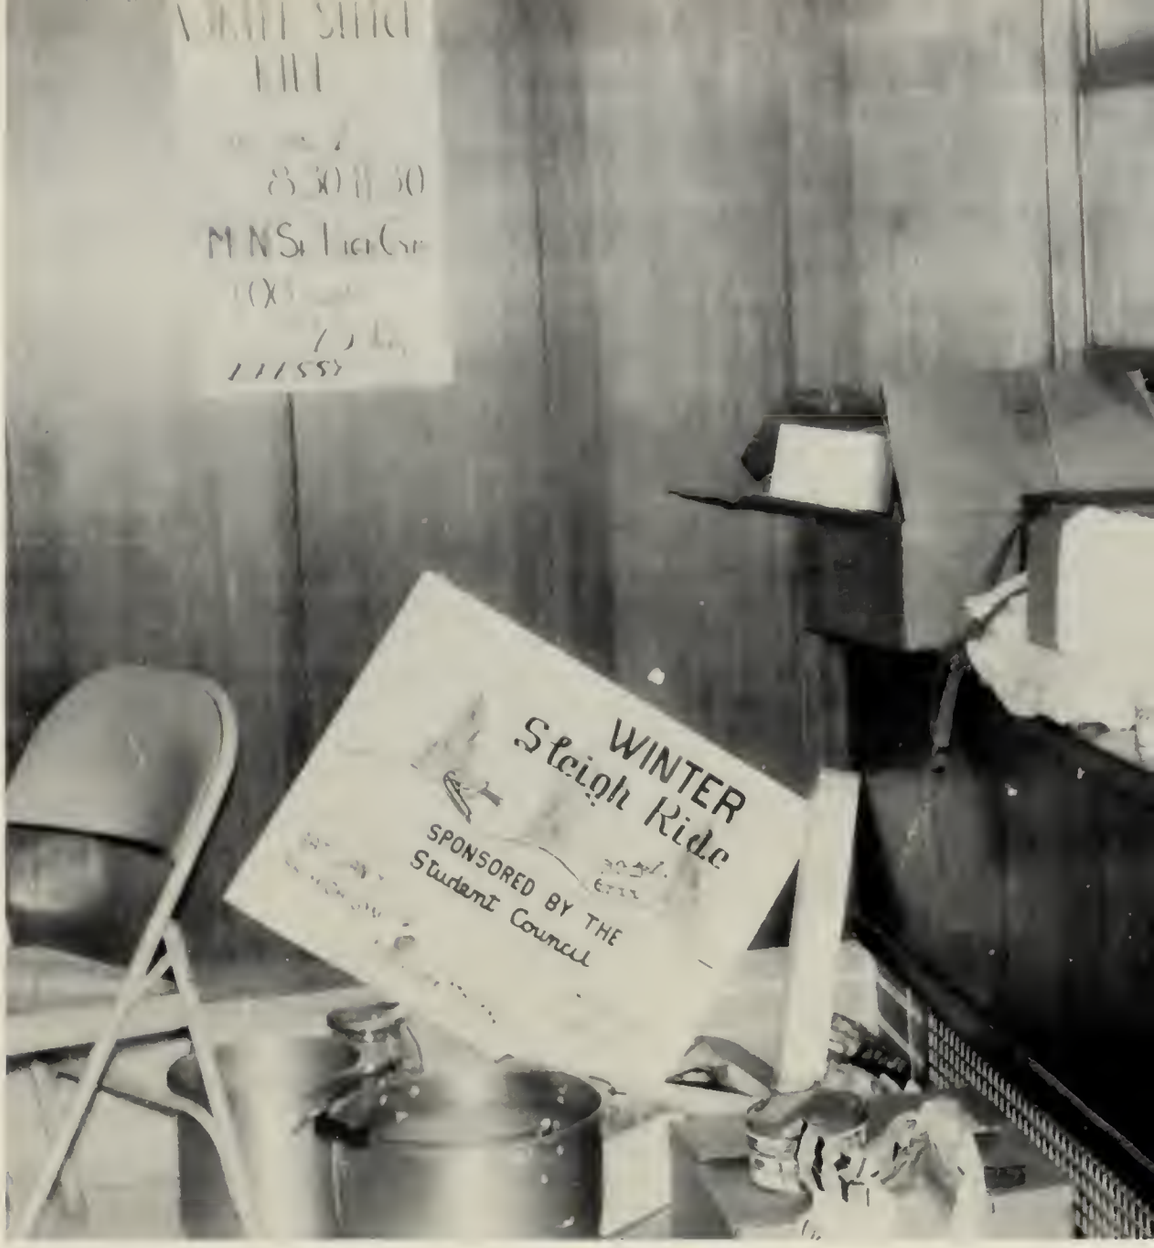
Our efficient monitor system
perates at full force.

DEMOCRACY IN ACTION

Marple Newtown's governmental body is the Student Council. With President Ron Basener guiding the organization, the Student Council had charity drives, sponsored some dances, and held the annual variety show. Under the Student Council, Marple Newtown maintained its high standards and met the evaluation squarely. A monitor system was put into practice to keep order in the halls. Assemblies were planned by council members for the first time.

With the guidance of Dr. Gruener and the officers, the Student Council has continued to be the voice of the students in their school affairs.

SEATED: Dr. Gruener, Secretary S. DeRosay, President R. Basener, Treasurer J. Gobrecht. STANDING: Parliamentarian S. Gill, Sergeant-at-Arms B. Basener.



THE MORNING AFTER THE NIGHT BEFORE!

COMMITTEE CHAIRMEN: J. Postpichal, B. Basener, C. Cooper, B. Iwan, C. Potter, S. Selverian, P. Bucci.

The stage crew is Marple-Newtown's construction agency. Under its manager Ben Mitchell and its supervisor Mr. Benevit, the crew sometimes keeps late hours, and manages to get things done in a record amount of time.

The other M-N service organization is the library assistants, under the guidance of Mrs. Murphy. This group of girls performs many essential services to keep our library functioning properly.

The stage crew is completely engrossed in its work, completing the set for the Senior Play.

M-N SERVICE ORGANIZATIONS

Library assistants, working during their spare time, add to the efficiency of the school library.

M-N'S SONGSTERS

Anyone wandering in the halls in the vicinity of the auditorium before classes is sure to hear this excellent group of sixty vocal artists harmonizing. Under the able leadership of Mr. Oberholtzer, they have given a Christmas carol service, and in the spring they presented exerpts from "South Pacific". They also performed for the parents at P.T.A. In addition to these school concerts they sang carols for the busy Christmas shoppers at Snellenburgs.

Some of the members have earned recognition for their fine work by being selected as members of the Southeastern District Chorus.

SCHOOL HOST TO DISTRICT'S PROMISING YOUNG

Our community was fortunate and proud to sponsor the Southeastern District Orchestra festival this year from January 19th to the 21st. The group of nearly 100 musicians was chosen by competitive tryout in December. The orchestra personnel arrived at the senior high school in one of our ten-inch blizzards and followed a lengthy practice schedule in spite of the weather outside. Conductor Powell Middleton directed the work sessions and two fine concerts which featured performances of musical works by many composers from Bach to Richard Rogers.

Our musicians selected were: Richard King, Dick Schelecker, Chesley Duncan, David Melrose, Linda Schatkowski, Muriel Smith, Carol Holm, Aris Sevag, Karen Dix, Carol Nelson, Cheryl Stickle, Carol Lehman, and Catherine Martino.

MUSICIANS

Long before the actual performance, the 100 youngsters were on stage practicing. Winter mufflers and boots were strewn over the auditorium as evidence of the surprise blizzard that blanketed the community. They stayed with members of our own orchestra, were treated to a special performance of Can-Can, and left with many memories of their musical week-end.

M-N MUSIC MAKERS

Every morning before school during football season, Marple-Newtown's marching band can be heard practicing. The band, with its fine playing and intricate marching drills, is one of the highlights of any football game.

Few bands can match M-N's for its school spirit. With Mr. Schultz and band co-captains Rick King and Dick Senges calling the signals, the M-N band is one our school can be proud of.

At every assembly the band provides entertainment before the show.

DURING THE GAMES THEY

School spirit was kept high because of the top-notch effort turned in by our cheerleading squad. Ably captained by Jane Null, the girls encouraged team and spectators alike, refusing to be daunted by either poor weather or poor scores.

KEEP SCHOOL SPIRIT HIGH

The pretty girls in the bright uniforms who lead our band at each football game deserve much of the credit for those enjoyable halftime activities--the Colorguard and Majorettes.
Under the able leadership of Beth Iwan, the snappy Colorguard added several new routines, and the Majorettes continued to uphold the high standards of previous years under the direction of Linda Henschke and Nancy Hennesy.

SERVICE TO OUR

One October morning a teachers' conference was scheduled at Marple-Newtown. To help control the great volume of traffic the Hi-Y club worked during the morning parking these cars. This was just one of the services performed by the group. Later the members sold mints, the proceeds of which went to World Service projects.

Hi-Y functions also include social events. Last fall the organization sponsored the highly successful Beatnik Dance as well as parties and hayrides. However, the real purpose of the Hi-Y is to help build high standards and good character throughout the Home. school, and community.

Officers for the past year were: President, Brian Buzby; Vice President John Cipollone; Secretary, Frank Duzy; Treasurer, Bill Rich; and Chaplain, Rich King.

ROW ONE: B. Orvis. ROW TWO: G. Monjar, G. Hamilton, S. Fisher. ROW THREE: C. Hirsch, B. Jones, P. Monjar, C. Nelson, A. Campbell. ROW FOUR: E. Erturer, B. Leir, R. Snyder, A. Clute, P. Burns, J. SCHOOL AND COMMUNITY

The purpose of the Tri-Hi-Y, "To create, maintain, and extend throughout the home, school, and community high standards of Christian character. . ." has become more of a reality than ever in this year's organization. The girls have added to their known list of service porjects, such as the annual Sadie Hawkins Dance, selling mums on Thanksgiving, and selling mints, and their annual Christmas visit to the orphanage, several lesser known activities which they feel will become an important part of the club. One of them is acting as guides at the Open House for parents during National Education Week.

Under the able leadership of President Barbara Orvis, the Tri-Hi-Y's goals and ideals have been met and surpassed. Everyone at M-N should be aware of the fine work these girls do for all of us and for our community.

A.F.S. plans book list for the new school book store.

AFS GROWS BY THE YEARS

A better understanding of other nations in our shrinking world is found where the American Field Service is operating. We had two students from abroad living in our community this year, and two students from here went overseas: one for the summer and one for school. The student committees worked to make sure the program would continue at our school. They raised money, held dances, and did their best to make our exchange students feel at home.

Bottom Row: C. Duncan, P. Burns, B.L. Naye, R. Blecker, J. Morse, A. Campbell, S. Wheatman, C. Potter, M. Weinstein. Row two: B. Rich, J. Jakubowski, M.L. Wertz, B. Orvis, G. Koenig. INSERT: President, Charles Cooper and Mrs. Levin, sponsor.

NATIONAL HONOR SOCIETY

The National Honor Society is composed of seniors and juniors who meet the qualifications of scholarship, leadership, character and service. Members are chosen by a faculty board from students in the top fifth of their class who have previously shown those outstanding qualities.

During the year the National Honor Society sponsored a dance, and in the spring held its induction of new members.

The National Honor Society attempts to promote higher standards of academic achievement and service to the school, while giving everyone an object toward which to work.

Not since the departure of Marlena Dietrich, has Germany experienced such a setback as they did at the arrival of Mitch Weinstein last June. Besides polishing old armor, Mitch toured the Bavarian Alps with three other six-footers in a Volkswagen. Now that Mitch is back at M.N., it is hoped that Germany will be able to recover in due time.

mel Eturer is our exchange student from Turkey. A small dark haired rl with an ever present smile, she is one of M.N.'s most welcome addi- ons. After completing her senior year at Marple-Newton, she plans to udy medicine on her return to Turkey. In her quiet, easy going manner, mel has found her way into the hearts of all M.N. students, and we will ver forget her friendliness and enthusiasm for the American way of life.

Following M.N.'s custom of being in on all the world's great events, the high school had a foreign exchange student in Belgium during the riots. Sue Peck lived with a Belgium family for six months, and during her stay she visited Paris, the site of the 1960 World's Fair, saw the wedding of King Bedouin, and learned Flemish.

ORGANIZATIONS FOR THE FUTURE

Between them, the three organizations pictured on this page handle the majority of ambitions present in the Marple-Newtown girls.

The FHA takes into its ranks the future homemakers. Under the supervision of Miss Fuoco and the leadership of Estelle Shisler, the homemaking arts are offered for study and learning.

The FTA handles those in the M-N ranks who want to go on to be educators. Miss Lewis is its advisor, and Rhoda Blecker its president.

The girls who want to be nurses join the FNA. With Mrs. Mannino to guide them and Jan Ferris to handle the meetings, they encounter much of the information they will need in the future.

Close Contest

What territory did William Clark govern? What causes the "static crack"? Who issued the Salisbury Oath? These were some of the questions fired at Dr. Gruener's Hi-Q team by quizmaster, Robert Johnson, in the team's first contest of the season.

The program, sponsored by the Scott Paper Company, was started thirteen years ago as a current events quiz. Since then the categories have been expanded to include such fields as Shakespeare, science, U.S. Government, history, and music.

There are two series in the contest. During the Fall and Winter months teams from twenty-one Delaware County high schools compete, each team participating in three matches. The three top-scoring teams then meet in three play-off rounds with the eventual winner's school receiving $1000 and the second and third-place schools being awarded proportional prizes.

Shultz and Company, the antagonists took their position on the field of combat. Since no trenching tools were handy and Jack Hudock had disappeared, M-N bravely established its position directly in the line of fire.

At half-time the team led Nether Providence by one point while Chichester trailed considerably. An opinion question was asked the home team, "Should Communist China be admitted to the United

NEW

Anne Engleking and Frank Duzy sell the Mar-News to eager readers.

The Mar-News, our school paper, has been the main source of reading enjoyment and information for the students. This year, in bigger and better form, the paper has offered us many new and interesting articles, as well as features, the regular news, and editorials. In order to meet their deadlines, Marcy Diamond and her staff, under the supervision of Mr. Wikstrom, can often be found working after school. It is hoped and expected that the Mar-News will uphold its excellent, ever improving standards in future years.

The Art Staff is hard at work.

The entire Mar-News Staff takes time out between meeting deadlines to pose for a picture in the lobby.

ON THEIR WAY TO

Topology, symbolic logic, Boolean Algebra; are these terms strange to you? However, they're quite common to the members of the Mu Alpha Theta Math Club, a new activity at M-N this year.

Under the guidance of Miss Lewis, interested students study and discuss more advanced forms of mathematics, beyond that which is taught in the classroom.

The club is a branch of the National Mathematics Club for Senior High and Junior College Students. Its purpose is to create an interest in mathematics, and encourage students to consider a career in that field.

CAPE CANAVERAL

The Science Club, which was newly organized at M-N this year has the avowed purpose of furthering scientific interests among the students.

While much of the meeting time has been devoted to organization of the club, there have been several interesting programs. One of these was on thermocouples which was presented by Jim Gregory and Sam Wheatman. Larry Engle and Ann Engleking gave a fascinating demonstration showing changes in the heartbeat of a turtle when solutions were poured over it.

Recently, the club voted to become affiliated with the Future Scientists of America, a national organization of science clubs.

STRIVING FOR VICTORY

Under the expert guidance of Mrs. Egner, a hard-working Concessions crew turned out at each home football and basketball game. Even our foreign-exchange student came to lend a helping hand.

M-N's Booster Club is the core of community school spirit. The participants are parents of students and alumni who have an interest in the school athletics, and members of the community who want to see more enthusiasm toward M-N's teams, win or lose.

Each year the Booster Club is responsible for staging many enjoyable events. Early in the school year they brought the Philadelphia Warriors to M-N, which drew one of the largest crowds ever assembled in our gym. The club also rewards deserving Senior athletes with blazers and sweaters, and holds a banquet in their honor.

A member of the newly formed Pep Club can easily be recognized at any games by his gaudy orange feathered hat and his orange and black jacket complete with booster button. He has clutched in his hands a stuffed tiger, shaker, horn, program, blanket and possibly a hot-dog. His arrival is heralded by a long caravan of crepe-paper decorated cars. With trumpet sounding and cries of "Let's go M-N!" he brightens up the school spirit wherever he goes.

"How about a little mustard, please?"

Mike Mulloy gets it straight from the Tiger's mouth.

In rain or shine (mostly rain!) M-N's Concessions crew was depended on to feed the hungry spectators. These students worked quickly and efficiently despite the overwhelming crowds at halftime.

DETERMINATION

Our 1960 gridiron Tigers served as a fine example of the fighting spirit and determination which should underlie all other scholastic and extra curricular activities at Marple Newtown and all enterprises after graduation. Even the most disheartening losses of the season seemed only to strengthen the team and spur them to greater efforts.

The Marple Newtown defensive team, a corps which gave fine performances all year was able to hold the two most powerful teams of our league to two touchdowns apiece. In fact, only once did these players yield more than two touchdowns to any team.

Although our scoring ability, due to inexperience of the squad, was poor, our Tigers never lacked spirit, scoring four touchdowns against Harrington.

Largely responsible for the fine attitude shown throughout the season is our coaching staff, Mr. Bonder, Head Coach, Mr. Williams, line coach, and Mr. Dobransky and Mr. Rhodes, JV Coaches. Field leaders were co-captains Tom Gray and Bill Cook.

CHAMPIONS OF THE DISTRICT

Co-captains with fruits of victory.

There are many adjectives which describe the 1960 cross country team. The best of these is "swift". Under the coaching of Mr. Shores and the leadership of Ron Basener and Bill Rich, the team surged to a district championship and a strong showing in the state race. Throughout the season, both varsity and JV gave such steady performances that the team was able to extend its winning streak to 32.

Our 1960-61 hoopsters were buoyed up by a will to win and by fine individual performances from Jerry McCloy and Kenny Elliott. Playing a tough district II schedule, the team posted a league record of 5 wins and 14 losses with wins over Ridley Township, Harriton, and Upper Merion.

The team was captained by Ron Hynes and Jerry McCloy who had a 17 point per game average. Besides the co-captains, the other varsity starters were Kenny Elliott, Bob Morrison, and Jim Jackson. The varsity was Coached by Mr. Williams and the J. V. by Mr. Watson.

Marple-Newtown may look forward to a successful season next year with a team foundation of Ken Elliott, Bill Johnson, and Bob Morrison.

TEN-PIN KINGS

Each Wednesday afternoon at Gehris Lanes, Upper Darby, the bowling team matched pin-dropping skills against opponents from Harriton, Upper Darby, Lower Merion and Haverford. Their schedule included 80 matches played over a 20 week period. The team, coached by Miss Fuoco, was nearly even in wins and losses at the end of the completion of this schedule. For the five varsity positions there was a great deal of competition among the team members most of whom were Sophomores and Juniors. The high series of 3 games was rolled by Allen Essreg.

TENNIS QUEENS

In its second year, the tennis team is one of the newest sports at Marple-Newtown. Under captain and first singles player Muriel Smith the team contested several experienced schools, and although they did not win a match, they have acquired much new knowledge that should make them stiff competition next year.

Although this is its first year at M-N, wrestling has already gained a following. After an assembly explaining the fundamentals of the sport and the first home match, interest in the sport doubled. We look forward to many more years of wrestling at our school.

"CINDERFELLAS"

Some of the many skills of a track star.

The boys who dominate the cinder track and gridiron in the spring are the speedy Tiger track team. Well balanced among Seniors, Juniors, and Sophomores, this crew was composed of one of the best running teams in the state.

Outstanding cross country star Bill Rich and high jumper Eric Lundquist were co-captains under the coaching of Mr. Thayer.

THE OLD INDIAN GAME

Captain Gerri Jakubowski demonstrates the fine art of cradling.

In the spring the lacross team holds the girls' sports' spotlight. Coaches on the bench and in practice sessions were Mrs. Pierce and Mrs. Reynolds, while leadership on the field was provided by Captain Gerri Jakubowski.

The team, having carried over only two varsity players from last year, faced a difficult schedule of Section II teams, including their nemesis, Penncrest.

TIGERETTES DRIBBLE AND DRIVE

Plenty of M-N hustle on the field.

Although out Tigerettes were unable to compete in a successful season, they proved themselves to be excellent team players as well as outstanding sportsmen. The team, coached by Mrs. Reynolds and captained by Betty Lou Naye, furnished a season of keen competition for the other schools in the league.

Captain Betty Lou Naye knows practice makes perfect.

SENIOR CLASS GOVERNMENT

The senior class of 1961 has done many things which can be considered firsts. We were the first class to accellerate, to take Latin III and IV, CBA chemistry and experimental English. We were the first to present an excellent dramatic senior play.

Our Hi-Q team was the first in the history of the game to make a perfect score. The class of 1961 restored flagging school spirit in the athletic teams. During our year language labs, lay readers and culture courses were instituted. We had six Merit Scholarship finalists. Pride in the class of 1961 runs high, especially among its members.

SCOTT'S HI-Q RECORD SETTERS

Thirteen years of history went down before our Hi-Q team this year. Climaxing one of M-N's most successful seasons of academic competition, team members Bonnie Fink, Ginny Cohn, Alan Gregory, and Sam Wheatman correctly answered every question in the second meet for a total of forty points. This is the highest score ever achieved in the contest.

In the spirit of giving, Anne presents gifts to her family.

This year the Senior Class presented a drama; the first ever presented at Marple-Newtown. It was a tremendous success and drew a full house to both performances. All the players gave admirable performances, and the scenery, costumes and make-up, as well as the backstage co-ordination, were superb.

It is a strange thing to suddenly realize that we are no longer seniors and that the years we have spent at Marple-Newtown have passed. We are on our own now--for some of us it means college, for others jobs, for a few, marriage.

None of us will ever forget the fun and the work, the people and the places, the excitement of football games and class plays, the beauty of prom night.

We are taking all these things with us, but in return we are leaving something of ourselves behind. We only hope that we, who are no longer seniors, can become part of the vast score of memories that are Marple-Newtown.
